MOINUDDIN SYED KHAJA

SOFTWARE ENGINEER & FULL STACK WEB DEVELOPER

MSK Pride, Paramount Colony, Tolichowki, Hyderabad - 500008, TS, INDIA.

+91 740 644 2304 | hello@moinuddin.dev | www.moinuddin.dev

PROFILE

I am a highly motivated software engineer with 11+ years of experience and a strong background in computer science. Holding a BE and an MTech Degree in CSE, my passion lies in writing efficient code, creating exceptional web applications, designing beautiful websites and interfaces. With expertise in Laravel, PHP, Livewire, Tailwind CSS, and Bootstrap, I bring innovative ideas to life while seamlessly integrating design and functionality. I thrive in dynamic environments that value collaboration and open communication. Meticulous attention to detail and a problem-solving mindset define my work ethic. Continuously staying up-to-date with the latest industry trends and best practices, I aim to bridge the gap between design and development, focusing on user-centric web experiences. I am excited to contribute my skills and expertise to your organization's success.

EDUCATION

2020 - 2022
SINGHANIA UNIVERSITY
Jhunjhunu, Rajasthan, IN.

M.TECH. IN COMPUTER SCIENCE AND ENGINEERING
Conducted research on algorithms, AI, and machine learning, collaborated on projects, and actively engaged in professional development to stay current with industry advancements. Learned strong analytical and problem-solving skills.

2012 - 2016
VISVESVARAYA TECHNOLOGICAL UNIVERSITY (VTU)
Belgaum, Karnataka, IN.

BACHELOR OF ENGINEERING (CSE)
Achieved a strong foundation in core computer science concepts. Acquired technical skills, problem-solving abilities, and a solid understanding of software development principles.

SKILLS

PROGRAMMING LANGUAGES
PHP, Laravel Framework, JavaScript, C++

DATABASE MANAGEMENT
SQL, MySQL, PostgreSQL

WEB DEVELOPMENT TOOLS
Tailwind CSS, Bootstrap, HTML/CSS, Alpine.js, Laravel Livewire

CLOUD TECH. & VERSIONING
DigitalOcean, AWS, Git, GitHub, BitBucket, GitLab

TOOLS
VS Code, Sublime Text, Photoshop, Slack, Linux, LAMP, XAMPP

EXPERIENCE

2022 - CURRENT
SHAHEEN VALUE SCHOOLS
Hyderabad, TS, INDIA

EXECUTIVE DIRECTOR & IT INCHARGE
• Lead strategic planning and implementation of educational initiatives.
• Oversee IT infrastructure and technology systems, ensuring data security and privacy.
• Built a custom Student Information Management System for the Group of Schools.
• Stay abreast of emerging technologies and trends in education.

EXPERIENCE (CONTINUED)

2018 - 2023
SPARGON TECHNOLOGIES
Hyderabad, TS. INDIA

FOUNDER & CEO
• Founded and established a web development and design agency.
• Led strategic direction and operations of the company as CEO.
• Developed websites and web applications using Laravel, PHP, and other relevant technologies.
• Designed user-friendly and visually appealing interfaces.

2017 - 2022
NOBLE INDP. COLLEGE
Gulbarga, KA, INDIA

ADMINISTRATOR & DIRECTOR OF IT
• Managed day-to-day administrative operations and oversaw the IT department.
• Implemented technology solutions to improve teaching and administrative processes.
• Streamlined admissions process by developing digital and connected solutions.
• Implemented data security measures and ensured compliance.

PRIMA WEB, INC.
Des Plaines, IL, USA

LEAD DEVELOPER / FOUNDER
• Founded and established a web development company.
• Led overall strategic direction, business development, and client relations.
• Oversaw the development process as a Lead Developer, focusing on functionality, reliability, reusability and user experience.

2012 - 2015
SHAHEEN GROUP, GULBARGA
Gulbarga, KA, INDIA

DIRECTOR OF IT
• Led digitalization efforts, improving efficiency and effectiveness of administrative processes.
• Conducted training sessions to educate employees on technology use for improved teaching and administrative practices.
• Managed IT infrastructure and oversaw the institution's website development.
• Implemented educational software platforms for remote learning and digital resources.

2009 - 2012
FREELANCER
Jeddah, KSA

WEB DEVELOPER & DIGITAL MARKETER
• Developed and designed HTML and CSS-based websites/projects for clients.
• Created and executed digital marketing campaigns, including PPC and CPA advertising.
• Conducted keyword research, optimized website content, and monitored campaign performance.
• Utilized social media, email marketing, and content marketing to drive brand awareness.

LEADERSHIP / COMMUNITY INVOLVEMENT

2015
VISVESVARAYA TECHNOLOGICAL UNIVERSITY (VTU)
Begaum, KA, INDIA

SPONSOR OF VTU HACKFEST 2015
Sponsored and supported the VTU Hackfest 2015, a prestigious event that brought together over 400 engineering students aspiring to become future programmers, developers, and entrepreneurs. Through my company, PRIMA WEB, INC., I joined hands with VTU to showcase their skills and foster a learning environment during the 24-hour Hackathon.
This Hackfest had the theme 'Future of Indian Education' with a motive to expose the student community towards applying the Programming and Entrepreneurship skills in the development of innovative solutions to future education system.

NOTABLE PROJECTS

2022 - 2023
SHAHEEN VALUE SCHOOLS
Hyderabad, TS. INDIA

STUDENT INFORMATION MANAGEMENT SYSTEM (SIMS)

Developed a comprehensive custom-built student information system to streamline the admissions and fee collection process. Key features include:

• Online Enquiries: Implemented a user-friendly online platform for potential students and their parents to submit inquiries and gather information about the school.

• Admissions: Created a seamless admissions process, allowing applicants to submit their applications online and facilitating efficient application review and acceptance.

• Fee Collection: Designed a robust fee collection system with online payment options, automated fee reminders, and tracking of payment status for each student.

• Student Profile Management: Developed a centralized database to manage student profiles, including personal information, academic records, attendance, and disciplinary history.

• Exams and Results: Implemented a module for scheduling exams, recording results, and generating report cards.

• Awards and Certificates: Incorporated a feature for recognizing and issuing awards and certificates to students based on their academic achievements and extracurricular activities.

• Finance Management: Implemented a comprehensive finance management module to track income, expenses, and generate financial reports for the school.

• Staff Management: Developed a module to manage staff profiles, attendance, payroll, and leave requests.

• SMS System: Integrated an automated SMS system to send timely notifications and reminders to students regarding due fees, admission information, and important updates.

Stack Used - Laravel (PHP). Livewire, Alpine.js, Tailwind CSS, MySQL

2020 - 2021
LARAPASS (v1/v2)
Hyderabad, TS, INDIA

A SELF-HOSTED PERSONAL PASSWORD MANAGER

• Designed and developed LaraPass, a robust self-hosted password manager solution.

• Empowers users to securely store and manage their passwords on their own server, ensuring complete control and privacy.

• Implemented advanced encryption algorithms to safeguard sensitive data from unauthorized access.

• Built-in password generator feature assists users in creating strong and unique passwords for enhanced security.

• Integrated multi-factor authentication options, adding an extra layer of protection to user accounts.

• Received positive feedback from users for its reliability, security, and ease of use.**Stack Used - Laravel (PHP). Bootstrap, jQuery, MySQL**
